How to load the RSA Shoprite Coordinates onto your Garmin navigation device.

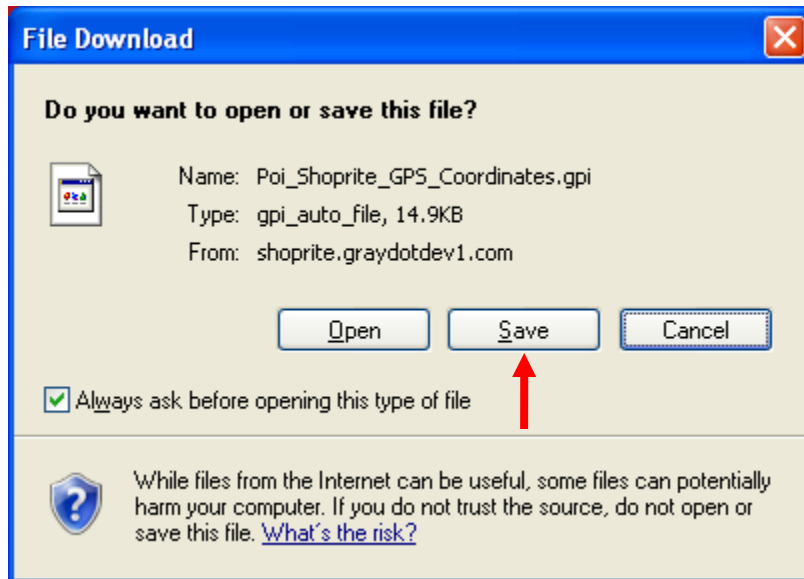

Step 1:

Click on the “click here” instruction on the Shoprite Store Finder web page.

The screenshot shows the Shoprite website's Store Finder page. At the top, there is a navigation bar with links: Home, Send to a friend, Bookmark this page, Sitemap, Shoprite in Africa, Store Finder, Careers, and Shoprite Holdings. Below this is the Shoprite logo and a banner for 'Financial year end results' celebrating 30 years. A search bar is present with the text 'Type Keyword' and a 'find' button. The main content area is titled '>> Store Finder' and includes links for '>> Cannot see anything?' and '>> Back to main site'. A Garmin logo is displayed with a 'Close' button. The main heading is 'Find Your Local Store'. Below it, there is a paragraph: 'Please take time to read through the manufacturer's handbook that came with your satellite navigation system. Click here to download our Stores to your Garmin GPS. Download instruction manual'. A red arrow points to the 'Click here' link. Further down, there is a section for 'To view our stores by Province - click on your Province below. Alternatively search for a store in your city or suburb by typing in your search below.' This section lists provinces: Gauteng, Eastern Cape, Free State, Kwazulu-Natal, Mpumalanga, North West, Western Cape, Northern Cape, and Northern Province. Below the provinces, there is a 'Store' section with checkboxes for 'Liquor Shop', 'Medirite', and 'Shoprite', all of which are checked. At the bottom, there is a text input field labeled 'Suburb or city' with the placeholder text '[Enter a City or Suburb]'.
